Simple Lift Solutions

L4L-R3

Open Platform Lift

Our **L4L-R3** is an Open Platform Lift, also known as Wheelchair Lift, which provides internal or external vertical travel up to 3 meters. Our Open Platform Lift can accommodate changes in level from **600 mm up to 3000 mm in commercial and residential environments** and is an appropriate alternative solution to a fully enclosed platform lift.

L4L-R3 is specifically designed for applications with little or no alterations to existing buildings. The open type design

offers an aesthetically pleasing solution with a brushed stainless steel finish. The lift provides a safe and easy way to gain access to a property where stairs would otherwise prevent wheelchair access.

It is designed to give customers choice and flexibility.

L4L-R3 Wheelchair Lift is a space saving and cost effective way to provide access for everyone to your home or workplace.

All our lifts are supplied with a one year warranty, as standard, and we offer a range of maintenance and service options, which can be tailored to suit your specific requirements.

FEATURES

- MODERN LIGHTWEIGHT DESIGN
- STAINLESS STEEL CONSTRUCTION AS OPTION
- LOW SPACE REQUIREMENTS
- HIGH LEVEL OF SECURITY
- SILENT OPERATION
- SIMPLE TO USE
- NO PIT REQUIRED
- SIMPLE TO INSTALL AND EASY TO SERVICE
- OVERALL LOW MAINTENANCE AND RUNNING COSTS
